

SIBELIUS

VIRTUAL DRUMLINE

BROKEN DOWN AND EXPLAINED

Bryan Harmsen will be presenting a master class on using Sibelius and Virtual Drumline (VDL) as a powerful combination of tools for composition in the pageantry arts.

Bryan is an avid user of Sibelius and VDL, and has intimate knowledge of both, especially when it comes to arranging for band, winter percussion, and percussion ensemble. He will be presenting information that should be helpful for everyone, from the experienced user, down to the person looking to get started. The following are some of the topics that we will cover:

- Why Sibelius?
- Getting everything up and running
- Using Sibelius
- Getting to know the VDL Template
- Improving playback and making recordings
- Tips and Tricks

7pm, Wednesday, October 7

Seven Lakes High School Band Room
9251 S Fry Rd, Katy, TX 77494

The fee for the class is \$20
